

# Annual Water Quality Reports

The Annual Drinking Water Quality Report for any calendar year is designed to inform you about your drinking water quality. Our goal is provide you with a safe and dependable supply of drinking water, and we want you to understand the efforts we make to protect your water supply. The quality of your drinking water must meet state and federal requirements administered by the Virginia Department of Health (VDH).

If you have any questions about the report, want additional information about any aspect of your drinking water, or want to know how to participate in decisions that may affect the quality of your drinking water, please contact the Town Office at 434-352-8268.
